

CENTRAL NEW MEXICO AUDUBON SOCIETY--NEWSLETTER--JUNE, 1972

VOTE NOW ON MEETING QUORUM

The By-Laws of Central New Mexico Audubon Society (Article II, Section 3) require that twenty per cent of the members be present at a meeting to form a quorum. At the past two meetings of the chapter, a quorum has not been present. As our membership grows, it becomes increasingly more difficult to obtain this quorum. Therefore, the Board of Directors recommends that the following amendment to the by-laws be approved by the membership:

Article II, Section 3. Presence in person of ten per cent of the members will constitute a quorum, which, once attained, is not broken by the voluntary departure of enough members to leave less than a quorum. If no quorum is initially present, those members present may adjourn the meeting until a quorum is attained.

The only change is in the word that is underlined. A two-thirds vote of the membership is required to amend the by-laws. It is, therefore, essential that you return the enclosed ballot (post card) by June 15. VOTE NOW!

MEMBERSHIP STATISTICS

We now have 186 mailing addresses for 233 individual members. We have out-grown the use of ditto equipment. We are looking for someone to make a mimeograph or offset device available for our monthly newsletter. We would provide the paper and personnel. Call G. Martin Ruoss: 266-4908.
