How to get there: Go to Santa Fe. Turn east
on U.S. 84/85. At the Pecos turnoff take
state route 63 to Cowles.

SPECIAL DATES FOR SEPTEMBER AND DECEMBER MEETINGS

Ralph Fisher of the Southwestern New Mexico Audubon Society will give a slide talk on southwestern birds on Saturday, September 16, at 7:30 p.m. at the UNM Physics/Astronomy Building. Those who went to Cave Creek Canyon in June to see the coppery-tailed trogon will remember that Ralph was our very knowledgeable field trip leader. Since he must come from Silver City to present this program, it is necessary to change our regular "third Thursday of the month" meeting night to SATURDAY, SEPTEMBER 16. Mark the date on your calendar NOW!

Since the third Thursday of December falls on the 21st, the membership voted to advance the meeting date to DECEMBER 14, the second Thursday in December.
